STUDENT'S NAME

AARAV BHARANY

CLASS

VII

AGE GROUP: (I) 12-19

(II) 19-30

(III) 30-45

(IV) 45-65

Are you aware of the huge amount of waste created by the modern human society in our day to day life?

Yes, I am aware of the fact that human society generates a large amount of waste on a daily basis.

Do you believe that the evils of climate change and global warming have direct link to this? Could you justify your answer.

Yes, I believe the given statement. This is because the amount of plastic and garbage increases global warming.

How could you contribute in the management of this global environmental problem?

We can contribute in the management of the problem by
→ Spreading awareness
→ Stop throwing / using one-time-use plastics

Has our school contributed in raising your awareness on this issue? If so, how? Name the awareness programme you have participated in.

Yes, the school has contributed in raising my awareness on this issue through the PROJECT CITIZEN awareness programme in which I participated in.
